

# Elevate Black Mountain Process

## SCHEDULE AND PROCESS STEPS

## YOUR CITY. YOUR PLAN. YOUR FUTURE.

Do you have input for Black Mountain’s next 20 years? We want to hear from you!

The Town of Black Mountain is embarking on an important project: an update of its comprehensive plan. A comprehensive plan:

- Outlines the community’s vision of who we are, how we want to grow, and the steps we need to take to get there.
- Guides our growth to achieve the physical structure we want for Black Mountain in 20 years.
- Is a shared vision of our growth, development and capital investments.

We are off to a great start and we want you with us every step of the way!

### Here’s how you can get involved:
