

Instructions for Completing Certificate for North Carolina Sales Tax Form

The Town of Black Mountain may apply for a refund of all sales and/or use taxes paid in North Carolina by the Town's contractors on purchases of building materials, supplies, fixtures and equipment which become a part of or are annexed to any building or structure being erected, altered or repaired under contract with the Town; and those taxes shall not be included in any bid amounts or the contract sum. Contractors shall include and must pay all other taxes imposed by governmental authorities which are applicable to the contract work. Examples of property on which sales and use tax has been paid by the contractor and for which the contractor will not be reimbursed by the Town are scaffolding, forms for concrete, fuel for the operation of machinery and equipment, tools, equipment repair parts and equipment rentals, blueprints, etc, or any other items which do not become a part of or are not annexed to the building or structure being erected, altered, or repaired.

Please submit with this form invoices (or copies of invoices) from vendors covering the items purchased.

Requests for sales tax reimbursements should be filed with each request for contract payment. A final sales tax reimbursement request must be filed with the final payment. The contractor willfully forfeits reimbursement if submittal is not made within the allotted time.
